21st Annual Show – Good Turnout – Will Plan for 2019! Good Friends – Good Time – Let's Do It Again!

News From Midwest Marble Club

At an informal discussion at the BMC show, we BMC and the MMC have a few things in common, foremost retaining dues paying members e.g., which of course is our primary source of funding We're not talking doomsday, but we have to be as creative as we can to maintain the necessary funds to function. We whole-heartedly agree on one thing..... we need *dues paying members*, and a *minimum number* to survive. Needless to say, to have a good club, lets rembers what we've heard for a lifetime....'the-more-the-merrier'! Safe to say this is an call... or plea... to members of both clubs to sustain your membership.

Welcome to the National Marbles Tournament website. The National Marbles Tournament was first held in 1922. The "mibsters" (marble shooters) will compete for national honors, college scholarships and numerous prizes and awards. The mibsters will play more than a 1,200 games over the four-day tournament. Champions selected from local tournaments held in cities and

counties around the United States represent thousands of competitors and will converge on Wildwood for a week of serious marble competition and fun on amusement rides and boardwalk attractions. The national committee operates the tournament which is composed of a group of volunteer men & women from various walks of life, from around the country that have a common interest in the game of marbles. National Marbles Tournament Inc. is a Non-Profit organization under US tax code 501(c)(3). The committee is here to help you with your questions in how to get a group going.
